

## **Northumberland's Got Talent Fundraising Event**

in Support of the Northumberland Hills Hospital Foundation

**For Immediate Release** – January 29, 2007

Northumberland County – A new event, in support of the Northumberland Hills Hospital Foundation, will showcase local talent and offer great prizes to participants.

Entries are now being accepted for ***Northumberland's Got Talent***, a new talent show open to Northumberland County residents ages 7 to 17 who can sing, dance, play a musical instrument or put on a magic or musical theatre performance. Lip-syncing performances with choreography as well as any other fun and exciting talent are also welcome to enter.

Auditions for ***Northumberland's Got Talent*** will be held during the day on March 3<sup>rd</sup> at CDCI West with a showcase of finalists set for that night beginning at 7:30 p.m. Prizes will be awarded for the best performances, including a flat panel TV, donated by Cobourg Audio Video, to the first place act. Local businesses have donated many prizes and gift certificates, so no one will leave empty handed.

"This is going to be a great event, with lots of excitement, entertainment and top prizes", states event Chairperson Grace Moore. "We are expecting a variety of wonderful entertainment, so if you think you have what it takes then hurry and register".

If you or your group has a talent that you would like to showcase during ***Northumberland's Got Talent***, registration forms are available by calling Grace Moore at 905-375-8154 or e-mailing her at [northumberlandsgettalent@gmail.com](mailto:northumberlandsgettalent@gmail.com).

Audition spots are only **\$15** each. Register today to ensure your spot! The deadline for registration is February 15<sup>th</sup>, 2007.

All proceeds raised through ***Northumberland's Got Talent*** will help purchase an infant resuscitation unit for the Northumberland Hills Hospital.
