

Hospital Foundation Announces Details of its 007th Annual Gala Ball

NORTHUMBERLAND COUNTY: The Northumberland Hills Hospital Foundation has given its orders: ***Operation MRI... A Gala Royale*** it is! On the night of November 10, 2007, 250 double-O agents will embark on a courageous mission to raise funds in support of Northumberland Hills Hospital's new MRI service.

To celebrate the year 2007 and the Foundation's 7th annual gala, event organizers have selected a James Bond 007 theme. Funds raised at this year's gala will support the purchase of the recently approved MRI machine at the Northumberland Hills Hospital.

This special evening to remember will take place at the Life Long Learning Centre in Cobourg on Saturday, November 10th, 2007. Plans include fabulous food, live music, live and silent auctions and some wonderful surprises that we believe will add to the evening.

Sponsorship is key to the Foundation's success in securing funds to support capital improvements at the hospital. Leading the way as Platinum Sponsors of this year's event are: Northumberland Publishers and West Colony Bay/Laura Roberge & Marianne Wilson of Re/Max Lakeshore Realty Inc. We are also pleased to announce that Hilltop Cellar/Mosaic Connections and Rollins Investments, owners of Ryerson Commons and Victoria College Retirement in Cobourg, are returning as a Gold Sponsor. James Sculthorpe Limited have signed on once again as Gala Silver Sponsors.

Organizers hope to attract other members of the corporate community through sponsorship. Interested candidates are asked to contact the Foundation office at 905-377-7767 for more information.
