

FLORENCE NIGHTINGALE HOME FOUNDATION PROVIDES SPECIAL GIFT TO THE NORTHUMBERLAND HILLS HOSPITAL

May 4, 2007

Northumberland County - Directors of the Florence Nightingale Home Foundation and members of the Order of the Eastern Star recently attended the Northumberland Hills Hospital to make a presentation for patient care equipment.

Their \$4,000 donation is specifically earmarked to purchase a recumbent bicycle for the Outpatient Physiotherapy Department.

Their donation is timely as the week of May 7th is National Physiotherapy Week.

The Outpatient Physiotherapy program provides an invaluable service to the community. The recumbent bicycle will help the two therapists in this department provide more opportunities for varied treatments to assist patients in their recovery.

"We feel so honoured to be the recipient of this donation from the Florence Nightingale Home Foundation", states Judith Harper, outpatient physiotherapist. "The arrival of this new piece of equipment is timely as the number of patients who are receiving joint replacements and other lower extremity surgeries is increasing."

Members of the Order of the Eastern Star in Cobourg sponsored and submitted the request for funds to the Florence Nightingale Home Foundation.
