

## In Memory of Chris Mansey

A memorial golf tournament in memory of Chris Mansey was held in late August to raise funds in support of palliative care at Northumberland Hills Hospital. Organized by Ryan Mullins (left) and his brother Dave, both friends of Chris, the tournament raised \$3,700. When combined with other gifts made in Chris's memory, a donation of \$5,000 was recently presented to Rhonda Cunningham (centre), Executive Director of the Northumberland Hills Hospital Foundation. Also pictured is Ryan's son Braxton and Chris's parents Richard and Lorraine Mansey.
