

CAMBORNE PUBLIC SCHOOL REACHES OUT TO THE COMMUNITY WITH A DONATION IN SUPPORT OF NORTHUMBERLAND HILLS HOSPITAL

On June 13th the students, teachers and parents of Camborne Public School hosted a fundraising walk-a-thon in support of school programs. However, in an effort to reach out to the community, the decision was made to donate 50% of funds raised to the Northumberland Hills Hospital Foundation.

At a school assembly this week Grade 1 student Naomi Klassen and Grade 6 student Jesse Orser presented Foundation Executive Director Rhonda Cunningham (far right) and Development Coordinator John Russell with \$876.

The proceeds will be used to supply the hospital's young patients with a small gift when they visit the hospital's surgical suite. Items such as beanie babies will be distributed to help ease any discomfort and fear young patients might experience.
