About Northumberland Hills Hospital – The Northumberland Hills Hospital (NHH) is located approximately 100 kilometres east of Toronto. The 137-bed acute care hospital delivers a broad range of services, including emergency and intensive care, medical/surgical care, complex/long-term care, rehabilitation, palliative care and obstetrical care. A variety of ambulatory care clinics are also offered at NHH. In addition to these, NHH also sponsors a Community Mental Health Centre and an Assertive Community Treatment Team. The hospital serves the catchment area of west Northumberland County. A mixed urban and rural population of approximately 60,000 residents, west Northumberland comprises the Town of Cobourg, the Municipality of Port Hope and the townships of Hamilton, Cramahe and Alnwick/Haldimand. NHH employs close to 600 people and relies on the additional support provided by physicians and volunteers. NHH is an active member of the Central East LHIN.
