

Northumberland Hills Hospital All-Stars to take on Cobourg Police Lawmen Once Again in Charity Hockey Game

For Immediate Release, January 28, 2009

Cobourg Sergeant Delkie Curtis is trying to eliminate some of the competition by locking up Hospital Lab Technician Chris Toope in police cell #5. The Cobourg Police Lawmen will take on the Northumberland Hills Hospital All-Stars in a charity hockey game on Monday, February 16 (Family Day) at 11 a.m. at the Cobourg Memorial Arena.

NORTHUMBERLAND COUNTY – It's the rematch of the year! The Cobourg Police Lawmen hockey team has challenged the Northumberland Hills Hospital All-Stars to a re-match for local hockey bragging rights. On Monday, February 16, at 11 a.m., the two teams will face off in a game at the Cobourg Memorial Arena, as part of the Cobourg Winter Festival. It's a rematch of last year's game when the All-Stars beat the Lawmen 11 – 9.

February 16 is Family Day in Ontario and organizers hope that parents and children will take advantage of the day off to cheer on their favorite police officer or hospital staff member. Immediately following the game there will be a family skate.

The NHH All-Stars include doctors, medical staff and support service workers. All-Stars Team Captain and hospital Laboratory Technologist Chris Toope says, "We beat the police once and we can do it again, but we need the fans to come out and cheer us on."

"This will be a fun event for the whole family", says Sergeant Brad Manning, "But we won't under-estimate the All-Stars this time."

Entry to the hockey game and family skate is free with your Winter Festival wrist band or a donation to the hospital at the door.

Wrist bands are available in advance at Dressler House, the Northumberland Hills Hospital information desk, the Northumberland Mall office, Victoria Hall and the Downtown Cobourg office. For a full list of activities during the Cobourg Winter Festival visit www.cobourgtourism.ca.
