For Immediate Release: July 24, 2009

Northumberland County – It's official. Organizers of the **3rd Northumberland's Biggest Coffee Morning** have confirmed that \$49,477 was raised during this year's event. With almost 100 coffee parties held across west Northumberland, guests and their hosts enjoyed laughter and fellowship, while making donations toward the purchase of new medical equipment for the Northumberland Hills Hospital.

Event spokesperson Ferne Dobson is thrilled with the final results for **Northumberland's Biggest Coffee Morning**. "This result would not have been possible without an army of supporters, volunteers, sponsors and of course – the very generous attendees," says Ms. Dobson. "The event was held in honour of Nick Hathway and Bob MacCoubrey and the success of this year's event is a great tribute to their dedication and support of the hospital."

In the past three year's, Northumberland's Biggest Coffee Morning has raised \$180,000 for the hospital.

Special thanks to the sponsors of this year's event RBC Dominion Securities, Sabic Innovative Plastics, Bright Ideas Design, Lakefront Utilities and Cobourg Internet.
