

Thank you to our outstanding volunteers!

NHH had the pleasure of hosting an appreciate event for volunteers from across the hospital on Tuesday, April 12th. A National Volunteer Week tradition, the celebration—hosted by President and CEO Linda Davis—was attended by volunteers who donate their time, their treasure and their talent to every area of the hospital.

Below are some of the many faces NHH is so grateful to count as friends. For details on this year's event, and excerpts from the remarks shared by keynote speaker David Sheffield, of Port Hope's Green Wood Coalition, please see the related news release at www.nhh.ca

Right: (L-R) NHH Auxiliary volunteers Brenda Worsnop, Patricia Fenner, Marg Hilborn, Pat Paige-Hoisak (Auxiliary President) and Yvonne Green.

Left: (L-R) Jim Mills, NHH Foundation Board member, Pam Russell, NHH Auxiliary and St. John Ambulance Therapy Dog volunteer, and Jack Russell, Chair, NHH Board of Directors.

Do your loved ones know your future health care wishes?

National Advance Care Planning Day was recognized across Canada on Saturday, April 16th. To build local awareness about the importance of talking with our loved ones about our future health care wishes, NHH Professional Practice Leader **Kayleen Peters** (above) and Dmitri Gool, a Nurse Practitioner with the Central East Community Care Access Centre's NPSTAT program, worked together to prepare and share information here at NHH and in our community.

For details on their message and a link to online resources available to you and yours, see the related news release on our website, www.nhh.ca.

Below: (L-R) St. John Ambulance Therapy Dog program volunteers Brian and Joan Llewellyn, with Emma; Wanda Corey and Matilda; Cathie Holmes and Menika; and Sarah Holland with Corduroy.

Above: (L-R) Muriel Milley and Virginia Mitchell, NHH Auxiliary Volunteers.

Left: (L-R) Rev. Dr. Ewen Butler, spiritual care volunteer, Louise Stevenson, Chair, NHH Foundation Board, and Scott Fraser, NHH Foundation Board member.
