Northumberland Hills Hospital Canada flag at half-mast in memory of Personal Support Worker, Wendy Tremblay

NORTHUMBERLAND COUNTY, Tuesday, June 17, 2025—It is with great sadness that Northumberland Hills Hospital (NHH) is flying its Canada flag at half-mast in memory of a respected colleague and friend, Wendy Tremblay, who has passed away.

Wendy will be remembered by colleagues and patients as a valued member of NHH's hospital team, serving as a Personal Support Worker (PSW) since 2024 in the hospital's Post-Acute Specialty Services (PASS) unit.

Deepest sympathy is extended from everyone at NHH to Wendy's loved ones.

About Northumberland Hills Hospital – Located approximately 100 kilometres east of Toronto, NHH delivers a broad range of acute, post-acute, outpatient and diagnostic services. Acute services include emergency and intensive care, medical/surgical care, obstetrical care and palliative care. Post-acute specialty services (PASS) include restorative care and rehabilitation. Mental health care, cancer and supportive care, dialysis and other ambulatory care clinics are offered on an outpatient basis through partnerships with regional centres and nearby specialists. NHH offers a full range of diagnostic services, including magnetic resonance imaging (MRI), computed tomography (CT) and mammography. The hospital serves the catchment area of west Northumberland County. A mixed urban and rural population of approximately 67,000 residents, west Northumberland comprises the Town of Cobourg, the Municipality of Port Hope, Alderville First Nation and the townships of Hamilton, Cramahe and Alnwick/Haldimand. NHH employs more than 850 people and relies on the additional support provided by physicians, midwives and volunteers. NHH is an active member of Ontario Health (East)—formerly the Central East Local Health Integration Network—and the Ontario Health Team of Northumberland.
