

**NEWS RELEASE – FOR IMMEDIATE RELEASE**

**NHH flag at half-mast for Mary Jubenville**

**NORTHUMBERLAND COUNTY, Monday, June 25, 2018**—Northumberland Hills Hospital (NHH) will be flying the Canadian flag at half-mast this week in honour of an active Auxiliary volunteer member who passed away early Saturday morning.

**Mary Jubenville** was a very dedicated volunteer with the NHH Auxiliary, known by many in the hospital and in our community for her warm smile, positive energy, and kind, helpful manner. Our deepest sympathy goes out to Mary's family and loved ones at this time.

**About Northumberland Hills Hospital** – Located approximately 100 kilometres east of Toronto, NHH delivers a broad range of acute, post-acute, outpatient and diagnostic services. Acute services include emergency and intensive care, medical/surgical care, obstetrical care and palliative care. Post-acute specialty services (PASS) include restorative care and rehabilitation. Mental health care, chemotherapy, dialysis and 16 other ambulatory care clinics are offered on an outpatient basis through partnerships with regional centres and nearby specialists. NHH offers a full range of diagnostic services, including magnetic resonance imaging (MRI), computed tomography (CT) and mammography. The hospital serves the catchment area of west Northumberland County. A mixed urban and rural population of approximately 60,000 residents, west Northumberland comprises the Town of Cobourg, the Municipality of Port Hope and the townships of Hamilton, Cramahe and Alnwick/Haldimand. NHH employs approximately 600 people and relies on the additional support provided by physicians and volunteers. NHH is an active member of the Central East Local Health Integration Network.
