

## News Release

**FOR IMMEDIATE RELEASE**

### **Applications due soon for 2026 Health Professions Scholarship**

**NORTHUMBERLAND COUNTY, Friday, April 10, 2026**—The deadline for Northumberland Hills Hospital (NHH) Health Professions Scholarship applications will close soon. Two \$1,500 scholarships are available for 2026. Applications and supporting documents must be received by the hospital before 4 PM on Friday, April 17.

Introduced in 2003, the purpose of the NHH Health Professions Scholarship Program is to provide financial assistance to students from west Northumberland who are pursuing a career in the health-care sector.

All applicants must be enrolled or accepted for enrollment in a full-time study program. Applicants are evaluated based on:

- academic standing;
- extra-curricular activities;
- a personal testimonial explaining their interest in a health-care field; and,
- written references.

By supporting local students with their academic studies, NHH hopes to continue to encourage community residents to consider NHH in their career path when the time comes to select an employer.

Recipients will be announced at a spring meeting of the Northumberland Hills Hospital Board of Directors.

For full details on the Health Professions Scholarship Program, including a downloadable application form and submission instructions, please visit the Student Scholarship page at [nhh.ca](http://nhh.ca) under the 'Careers section'.

**About Northumberland Hills Hospital** – Located approximately 100 kilometres east of Toronto, NHH delivers a broad range of acute, post-acute, outpatient and diagnostic services. Acute services include emergency and intensive care, medical/surgical care, obstetrical care and palliative care. Post-acute specialty services (PASS) include restorative care and rehabilitation. Mental health care, cancer and supportive care, dialysis and other ambulatory care clinics are offered on an outpatient basis through partnerships with regional centres and nearby specialists. NHH offers a full range of diagnostic services, including magnetic resonance imaging (MRI), computed tomography (CT) and mammography. The hospital serves the catchment area of west Northumberland County. A mixed urban and rural population of approximately 67,000 residents, west Northumberland comprises the Town of Cobourg, the Municipality of Port Hope, Alderville First Nation and the townships of Hamilton, Cramahe and Alnwick/Haldimand. NHH employs more than 850 people and relies on the additional support provided by physicians, midwives and volunteers. NHH is an active member of Ontario Health (East)—formerly the Central East Local Health Integration Network—and the Ontario Health Team of Northumberland.
