

**TITLE OF POSITION:**

INTERNAL MEDICINE SPECIALIST

Northumberland Hills Hospital (NHH) and area Internal Medicine Specialists are seeking an Internal Medicine Specialist with appropriate sub-specialty interests to locate their practice in Cobourg, Ontario. The suitable candidate will join a vibrant group of Internist with complimentary sub specialty interest. The desired sub-specialty interests include Neurology, Geriatrics, Palliative Care, Endocrinology and Rheumatology.

**Region** – Cobourg & Port Hope are picturesque communities located in beautiful Northumberland County on the north shore of Lake Ontario and approximately 100 kilometers east of Toronto. Offering a sophisticated small town atmosphere within easy reach of larger urban centers, the region is rich in built and natural heritage offering a vibrant downtown and renowned waterfront that make it a popular getaway and retirement destination. The area is famous for its beach, festivals and family living. There are strong public and private schools in the area and larger academic/teaching facilities within an easy commute.

**Role** – Practice opportunities include in-patient and out-patient fee for service consultations. The successful candidate will share the role of primary physician for NHH's six-bed Intensive Care Unit for adult medical patients and have access to various ambulatory clinics. Relocation assistance is available together with on-call stipends; vacation relief is supported through group colleagues.

**Hospital** – Classified as a medium-sized acute care community hospital, NHH ([www.nhh.ca](http://www.nhh.ca)) delivers a broad range of acute, post-acute, out-patient and diagnostic services. Acute services include emergency and intensive care, medical/surgical care, obstetrical care and palliative care. Post-acute specialty services include restorative care and rehabilitation. Mental health care, chemotherapy, dialysis and 16 other ambulatory care clinics are offered on an out-patient basis through partnerships with regional centres and nearby specialists. NHH offers a wide range of diagnostic services, including MRI, CT and mammography. The hospital serves the catchment area of west Northumberland County. A mixed urban and rural population of approximately 60,000 residents, west Northumberland comprises the Town of Cobourg, the Municipality of Port Hope and the townships of Hamilton, Cramahe and Alnwick/Haldimand. An active member of the Central East Local Health Integration Network, NHH employs approximately 600 people with additional support provided by area physicians, midwives and volunteers.

**Qualification and application requirements** – The successful candidate will be fully licensed to practice Internal Medicine in Ontario and willing to work collaboratively with other physicians, hospital staff and administrators for the delivery of highest quality clinical care.

Interested candidates should send their curriculum vitae and proof of qualifications, in confidence, to:
