

PUBLIC NOTICE – FOR IMMEDIATE RELEASE

Elevator service to be temporarily disrupted -
Electrical testing required evening of March 10th, 2014

NORTHUMBERLAND COUNTY, Wednesday, February 26th, 2014 – On the evening of Tuesday, March 10th, 2014, annual maintenance will be performed on the electrical switch gears at Northumberland Hills Hospital at 1000 DePalma Drive.

Visitors are advised that intermittent power disruptions may be experienced throughout the building between the hours of 8:00 PM and 11:00 PM while testing occurs.

Elevator service will be unavailable for an interval of approximately 40 consecutive minutes. Electrical testing affecting the elevator service is expected to be completed between 10:00 PM and 11:00 PM. Precautionary measures will be taken to minimize inconvenience.

For information please contact Wayne Goodwin, Director, Environmental Services, at 905-377-7774 or wgoodwin@nhh.ca.

About NHH – Located approximately 100 kilometres east of Toronto, NHH delivers a broad range of acute, post-acute, outpatient and diagnostic services. Acute services include emergency and intensive care, medical/surgical care, and obstetrical care. Post-acute specialty services (PASS) include restorative care, rehabilitation and palliative care. Mental health care, chemotherapy, dialysis and 16 other ambulatory care clinics are offered on an outpatient basis through partnerships with regional centres and nearby specialists. NHH offers a full range of diagnostic services, including magnetic resonance imaging (MRI), computed tomography (CT) and mammography. The hospital serves the catchment area of west Northumberland County. A mixed urban and rural population of approximately 60,000 residents, west Northumberland comprises the Town of Cobourg, the Municipality of Port Hope and the townships of Hamilton, Cramahe and Alnwick/Haldimand. NHH employs approximately 600 people and relies on the additional support provided by physicians and volunteers. NHH is an active member of the Central East Local Health Integration Network.
