

Public Roundtable Meeting

Northumberland Hills Hospital

Shared Challenge, Shared Solution

Where: Port Hope Public High School
130 Highland Drive, Port Hope

When: Saturday, November 14, 2009
1:00 PM – 3:30 PM

Pre-registration required

As part of its *Shared Challenge, Shared Solution* process, Northumberland Hills Hospital will share information on its current financial situation and ask for community input and advice as it develops contingency plans to balance its budget.

The Public Roundtable Meeting is open to residents of the Town of Cobourg, the Municipality of Port Hope and the Townships of Hamilton, Cramahe and Alnwick/Haldimand.

Unlike crowded public meetings where too many people stand around hoping to have their say at one or two microphones, a Public Roundtable Meeting is different.

This is your chance to sit down with our Citizens' Advisory Panel, learn about the financial pressures facing the hospital and in small groups work

through a series of activities designed to provide the hospital with clear and constructive advice.

We need you to come out and meet others who care about Northumberland Hills Hospital, roll up your sleeves and share your ideas and perspectives about the options we face.
